## FROM THE GROUP DIRECTOR'S DESK

Dear All,

It has been an exciting third quarter of business at Nyati Group. As we successfully wrapped up the year 2022, and as we are all set to step into a hectic last business quarter, let's take a look at the highlights that made the Q3 super productive.

If we had to put two words to describe this quarter, they would be 'Success' and 'Celebration'. This quarter, the Nyati Group was recognized as the 'Top Real Estate Brand' by Pune Mirror's Real Estate Icons 2022. This award affirms the belief that when we, as a brand, set out to construct quality homes for our customers, Not only did we deliver quality homes for our customers, but we also set a benchmark in terms of what an honest, trustworthy, and futuristic Real Estate brand should be.

Just as we are elated at receiving this prestigious award, we at Nyati Group have also been at the forefront of acknowledging and recognizing remarkable contributions towards Healthcare and

Education. As a token of this acknowledgment, Nyati Group partnered with Optimal Media Solutions, a division of Times Group, to present the Times Health Icons Awards 2022 and Times Education Icons Awards 2022, which were a huge success.

Throughout this quarter, Nyati Group scaled new heights in terms of success in the Real Estate industry. After the immensely positive response to our residential project, Nyati Era Phase I, Nyati Group also launched Phase II & III. In order to commemorate the success of the project, Nyati Group conducted an exclusive Channel Partner Meet where over 50 of our trusted Channel Partners were felicitated. The event brought in new enthusiasm among our prestigious Channel Partners to contribute even better for the upcoming Phase 3.

This quarter was also a new beginning in a way. Nyati Group pre-launched a new project, Codename- Bavdhan 2.0 at west Pune's most strategic location, Bavdhan. The theme of this Codename project was "Culture, Nature, and Future," as this project stands at the sweet spot of Kothrud's culture, Bavdhan's Nature, and Baner-Balewadi as the Future. The Codename campaign created a lot of inquisitiveness and interest in west Pune. The campaign received a good response and was a huge success.

Apart from creating a mark in business, this quarter was also about celebrating the spirit of sports. It was a month-long adventure of activities and sports at the Nyati County Fest. Hundreds of residents from Nyati County showcased their sports skills and competitive spirit as everyone wholeheartedly participated in this high-energy activity. Truly a fitting end to the year, this business quarter ended on a very positive and high-energy note for the Nyati Group Family.

It is the contribution of each one of you, our readers, Nyati Group members, our customers, and our stakeholders that takes us closer to our goals every day. It is your support that encourages us to set new goals and work relentlessly toward achieving success. With this promise, I sign off while handing this edition of the newsletter to you. I hope you enjoy it.

My best wishes are always with you.
