## Piyush Nyati Executive Director, Nyati Group

for over two decades. A successful Ganpati-centric campaign added many more members to the Nyati family as we invited Pune's residents to visit our premium locations of Undri, Magarpatta, Kharadi & Wagholi, and experience our show flats, while interacting with our team for special festive offers.

We engaged our philanthropic side by conducting the vaccination drive for the 2nd dose at Nyati County, vaccinating over 300 residents, making us the safest township in South Pune. We partnered with Kineer Services, a national institution supporting the cause of the transgender community, by vaccinating over 500 members and contributing for both their doses, ensuring complete protection from the pandemic. Our mission to bring women empowerment to the forefront was achieved by partnering with Lokmat, with our efforts led by Mrs. Sulekha Nyati, in recognising Pune's top women leaders making a mark in industry, civic services, and public welfare, ensuring that women have equal opportunity, recognition and in some cases even spearheading Pune's growth on a holistic front.

The Corinthians Resort & Club is currently undergoing its first major revamp in 2 decades, building capacities to scale up operations for our patrons. Making this landmark institution future-ready is our priority, and we look forward to revealing the club's new avatar soon, well in time for the upcoming celebrations and the hopeful families who have appointed us as their wedding destination of choice.

NL Healthcare has worked tirelessly since the onset of this global pandemic and has proven to be a valuable resource in the healthcare industry. To this end, its efforts have been recognised by national institutions and we are proud of their success. I would like to commend Tushar Lahoti's efforts in partnering with Wipro, to ensure that the marginalised communities staying in remote areas have equal opportunity to protect their families in this pandemic by providing a constant source of oxygen supply.

For the next 3 months, we look forward to more people being vaccinated, and the government easing restrictions further. We have grand plans of launching new housing opportunities in Pune for our residents. Our contracting division is currently close to establishing new benchmarks with landmark deals in progress on in the public and private sectors. The Club will reveal itself in a new avatar very soon. Our healthcare efforts will be exponentially increased and we are on the right path to another successful quarter! I leave you all with my gratitude at your tremendous efforts, in the hope that we all will continue to work equally hard as a team and make us all proud. The world is healing from this pandemic and we must grow as it grows too, and I have no doubt that we will succeed as we have, with dedication, perseverance, and a will to win.

My best to you all,always,

I am humbled to share that our CMD, Mr. Nitin Nyati has been recognised by The American University, USA with an Honorary Doctorate in Holistic Living, and as a Peace Contributor with The Nelson Mandela Peace Award 2021. This recognition only strives to encourage us in emulating his example. It is with pride that I share, that henceforth he will be addressed as Dr. Nitin Nyati. This accolade serves as an inspiration to us all, to live life to its fullest!

EPC has set a new benchmark under the able leadership of Dr. Jagdish Hote (CEO & Executive Director). By relying on the pillars of quality, speed, and efficiency, we have handed over 1.6 million sq.ft. of development at Sainik School (Chandrapur), Phoenix Mall (Lucknow & Pune) & CEAT Warehouse (Ambernath) and are in the process of handing over another 1.7 million sq.ft. at Symbiosis Ward, Teaching & Medical College (Lavale) & Shri Saibaba Educational Complex (Shirdi) shortly. This Engineering Day was dedicated to our 10,000+ strong team, led by over 800 engineers, who will always be the foundation of all that we do.

Real Estate has seen an exciting quarter, beginning with Mr. Harish Shroff (Director – Sales, Marketing & Business Development) being recognised as one of India's leading Marketing Minds by Realty Plus. I am proud of our long association with him and wish him many more successes to come. We went out to Nagpur, Kolhapur & Dubai, conducting events for prospects looking towards Pune for their real estate needs to great degrees of success. We strengthened our bond with the defence community this Independence Day, inviting over 200 serving & veteran families from the Tri-Services to the Corinthians Resort & Club, as we came together to salute their sacrifices, while committing to always serve the housing needs of the defence fraternity with the same selfless spirit, as we have done

## TREASURE HUNT EVENT

Employees are our greatest treasure at the Nyati Group. Every day we work side by side without truly knowing what drives our co-workers.

Our Treasure Hunt was focused on bringing our people closer together. We shared new facets of our existence outside of office, our motivations and dreams. Beyond the secrets revealed and smiles shared, a deeper sense of trust was created; connecting us together helping us move onward and upward, together.

We'd like to give our HR team a big thank you! for making this treasure hunt possible. Here's a little snippet of what transpired at the Nyati Unitree office.

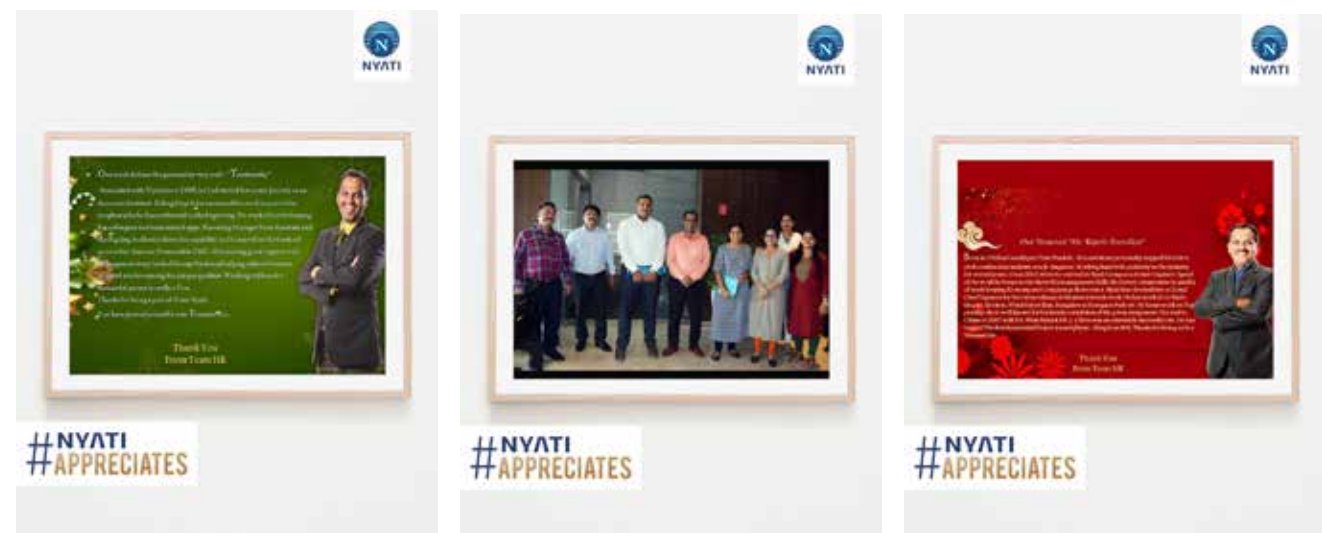

Nyati Group was proud to be the main sponsor of Lokmat's Ticha Ganpati, India's first all-women Ganesh Mandal.

The mandal has been running for the past 8 years. This year it was led by Mrs. Sulekha Nyati. Under her leadership, this edition strived to create conversations around improving the safety of women in Pune. It also aimed to ensure their representation in the social and infrastructural development of the city.

We look forward to witnessing the power of womanhood in action, as Lokmat's Ticha Ganpati continues to create a nurturing environment for women, with the blessings of Bappa!

## LOKMAT'S 8<sup>TH</sup> EDITION OF TICHHA GANPATI EVENT

Nyati Group joins hands with Lokmat as the Main Sponsor for the 8<sup>th</sup> Edition of TiCha Ganpati! An event steeped in history, it brings India's first all-women Ganesh Mandal together, coming together to share their resolve as leaders of social change & bringing women empowerment to the fore of our great country's list of priorities.

The chief guest leading the all-women conclave was none other than Mrs. Sulekha Nitin Nyati, a Chairperson with Nyati Group of Companies, and a Director at The Corinthians Resort and Club. Her experience as a profound business leader coupled with her social initiatives as an active member of several prominent clubs and social bodies like FLO-FICCI (Women's Wing, Federation of Indian Chamber of Commerce & Industry ) and MIG (Mahesh Industrial Group) made her the best candidate to lead today's agenda of the committee's present challenges and future direction. She was joined by Mrs. Anushree Piyush Nyati & Mrs. Annavi Pranav Nyati as they resolved to selflessly guide the congregation in the direction of success with resolve.

## GIRIPREMI MOUNTAIN CLIMBING

At the Nyati Group, nature is our source of inspiration. With a deep sense of adventure and an ambitious outlook, we're proud to partner with the GGIM [Guardian Giripremi Institute of Mountaineering], a community devoted to creating a boundless love for nature.

The GGIM began 2021 with a mission, to scale three mountains higher than 8000m by the end of the year. Having successfully scaled Mt. Annapurna in April & Mt. Everest in May, they are now closing in on Mt. Manaslu, Nepal, a legendary 8163m climb. Led by Mr. Jitendra Gaware, an experienced mountaineer we're sure the team will summit successfully.

**#NyatiAppreciates** this bold endeavour and wishes Mr. Gaware and his team all the best. We look forward to sponsoring more such initiatives that resonate with our sense of adventure.

### Amazing Resort!

"As soon as we arrived Ankita at the reception did an amazing job helping us check in. She briefed us about the entire resort and its facilities very well while she showed us to our rooms. All the meals that we had at Salsa and Alexandria were FANTASTIC and bhagyashree, Mousam, Purna, Vipul and Kamlesh were great servers, particularly Puspa, she was so kind and the service that she provided is really commendable. While we had breakfast Mr. Ricardo was doing a great job helping through service as well as Mr. Farid. Prashant in the gaming room as well. The amount of hospitality that was provided was something I have never experienced before and it definately is one of the many reasons why I woupd visit Corinthians again and recommend it too."
