Dear Reader

The world, as you know it, is undergoing a metamorphosis. Change is going to become the new normal.

An invisible calamity has left the world scrambling for hope. In our 23 years of existence we have never witnessed a calamity of this magnitude. Yet this too, like everything else, shall pass.

In this hour of reprise the only solace one has is a home. A place which you can call your own. A place that embraces you with open arms, no matter the time, the situation or the state of affairs. When every other place seems hostile and belligerent, you long for safety. For yourself and your loved ones. This is what it truly means to come home!

We at Nyati Group wish to tell you that this is just a phase for the passing, because out of this chaos will rise order. Till then. Stay Home, Stay Safe!

FROM THE DIRECTOR'S DESK

Balachandra Hegde
Director - Finance
Nyati Group

Greetings!

It gives me immense pleasure to introduce our readers to some of the most vital aspects of Nyati Group's success. This newsletter has bridged any possible gaps between the company and people and I'm grateful for this initiative that has taken such a wonderful form.

Since inception, Nyati Group has been on the forefront of creating some of the finest projects in the sectors of residential real estate, commercial spaces, IT office spaces, hospitality projects, educational institutes and more.

Fulfilling such hefty requirements demands huge capital which is not easy to acquire in this volatile market. However, Nyati Group has stood by every commitment in the past, thus maintaining good credit scores with leading lenders from across the country and we intend to keep it that way.

As you shall read in this newsletter, we have organised several events including Republic Day celebrations, National Safety Week celebrations, sports tournaments and much more.

2020 is going to be a great year for us. Conquering challenges and taking a bold leap into new horizons, Nyati Group is all set to redefine its roadmap.

Group is all set to redefine its roadmap.

Yours Sincerely,
 Balachandra Hegde

FROM THE VP'S DESK

Srinivas Iyer
VP - Land & Legal
Nyati Group

Greetings!

I would like to thank the management for allowing me to uncover, via this newsletter, some of the values that have nurtured our brand value and ethics.

Land is a highly valuable yet highly complex asset given its history of ownership, documentation, restrictions and compliance with local norms for development. We have to deal with various statutory authorities, government and semi-government bodies and legal forums / departments in order to secure permissions to commence orderly development. Despite every challenge, not a single project by Nyati has been executed without respecting laws and guidelines.

When RERA was introduced, several developers were upset given its strict policies. However, Nyati Group supported the implementation of this process as it would bring about a standardisation in the real estate industry which was long overdue. In fact, RERA has instilled a sense of trust among buyers. Given our legacy and brand value it has helped in increasing bookings and attracting several fruitful collaborations.

I am grateful to our customers for showing faith in us and my Nyati Group team mates for taking invaluable efforts to make Nyati the No.1 choice in real estate.

Happy Reading,
 Srinivas Iyer.

CELEBRATING THE SPIRIT OF COMMUNITY

Nyati Group, a renowned developer in Pune since 1997, initiated the first edition of the Nyati County Celebrations on January 11, with a splendid set of events lasting the entire month.

As a potpourri of cultures, beliefs and ideas, Nyati County takes pride in its 27,000-strong community and strengthens this bond with a month-long celebration. First on the list, was a cricket league that made the 23 societies put on their thinking caps to choose talent, form teams, strategize and outdo each other to win the Championship Cup.

The event began on a cheerful note with the unveiling of the cup. The matches began soon after. What followed was a display of talent and sportsmanship. The audience, largely people from societies of Nyati County, cheered for their home teams and the winners were announced amidst applause.

The events were organised in association and partnership with Corinthians Resort & Club. The first half of Sunday was devoted to football at the Club's Futsal Court. This is just the beginning of the month-long celebrations of the community. More exciting things are on their way. —Anagha Khare

Felicitating the honourable defence servicemen

In its third edition of celebrations, the community of Nyati County enjoyed another day of fun and excitement at its first ever in-house flag hoisting. As one of the leading developers in Pune since 1997, Nyati Group has brought in the first new initiatives that take community living to a new level. The first market that was organised for residents kindled a spirit of entrepreneurship and residents set up shop for the day-long affair.

The evening was reserved for a fashion show and performances by popular artistes and live bands. It was a fusion of entertainment, music and food, with a mouth-watering line-up of food stalls for both kids and adults. The Corinthians Resort and Club were the venue partners and participated in the event too with their own bhojary. The 1st Bhojhouse.

The following morning brought all Countyans together to honour decorated officers residing at Nyati County wherein everyone came together at the Fallen Soldier's Memorial in the venue, for the first ever united flag hoisting.

As part of its CSR activity, the group, in association with an NGO, offered meals to more than 2,000 underprivileged families in the vicinity. All the societies volunteered in preparing meals for this social cause which not only strengthened their bonds as a united community, but also enhanced the meaning of giving selflessly to the less fortunate.
